

Dear Ioannis Koutroubakis

Editor-in-Chief, Annals of Gastroenterology

Journal: **Annals of Gastroenterology**

Type: **Original article**

Title: **Impact of stepwise introduction of esophagojejunostomy during laparoscopic total gastrectomy: A single-center experience in Japan**

Corresponding author: **Tomohide Hori, Ph.D., M.D.**

Section Editor, Annals of Gastroenterology

I'm a section editor.

Thank you for your valuable suggestions.

According to your reviewers' comments, we revised our initial manuscript.

We prepared Marked revised manuscript and Clear version. In the marked version, additional mentions are **in Red**, and deleted sentences are shown **in Blue with strikethrough**.

Also, Point-by-point responses was separately made.

English language: Manuscript (Main body and all Tables) was fully checked by English consultant (edanz editing, ordering ID: J1607-93786-Yasukawa). I attached a Certificate for English language, with this letter.

Ethical approval and informed consent: We attached the statement for ethical approval and informed consent with this letter.

Financial disclosure and conflict of interest: We attached the statement for financial disclosure and conflict of interest with this letter.

If you have any questions, please do not hesitate to contact me by e-mail.

We wait for your decision.

Sincerely yours,

Tomohide Hori, MD., PhD., FACS.
